

# Junior Conservation Camp

# The Massachusetts Junior Conservation Camp is a 2-week experience allowing youth to develop skills and confidence that will last a lifetime

---

**Conservation subjects taught** include Fish & Pond Life, Forestry, Soil Conservation, and Wildlife Management.

**Outdoor skills taught** include Archery, Basic Camping, Fly & Spin Casting, Orienteering, Riflery, and Shotgun. These courses are led by experts in their field. Additional MJCC curriculum involves the Massachusetts Hunter Education Program and Small Boat Safety.

**Campers participate in all courses presented**, however ample **opportunity is provided for relaxation and recreation** through many traditional summer camp activities such as swimming, fishing, boating, softball and volleyball. In addition, opportunities exist for extra time on the shotgun, rifle and archery ranges.

**Optional programs change from session to session** but in the past have included Whitewater Rafting, Hiking, Scholastic Pistol, Bowhunter Education, GPS, Survival, Home Firearms Safety, Intro to Scuba and Field to Table.
